(1) CLAUSE PARAMOUNT

(A) Subject to clause 13 below, this Bill of Lading insofar as it relates to sea carriage by any vessel whether named herein or not shall have effect subject to the Hague Rules or any legislation making such Rules or the Hague-Visby Rules compulsorily applicable such as COGSA or COGWA) to this Bill of Lading and the provisions of the Hague Rules or applicable legislation shall be deemed incorporated herein. (B) And to the extent that the provisions of the Harter Act of the United States of America 1893 would otherwise be compulsorily applicable to regulate the Carrier's responsibility for the Goods during any period prior to loading on or after discharge from the vessel the Carrier's responsibility shall instead be determined by the provisions of 6(3) below, but if such provisions are found to be invalid such responsibility shall be subject to COGSA.
(B) The Carrier shall be entitled to (and nothing in this Bill of Lading shall operate to deprive or limit such entitlement) the full benefit of, and rights to, all limitations and exclusions of liability and all rights conferred or authorized by any applicable law, statute or regulation of any country.

(2) PORT TO PORT SHIPMENT

The responsibility of the Carrier is limited to that part of the Carriage from and during loading onto the vessel up to and during discharge from the vessel and the Carrier shall not be liable for any loss or damage whatsoever in respect of the Goods or for any other matter arising during any other part of the Carriage even though Charges for the whole Carriage have been charged by the Carrier. The Merchant constitutes the Carrier as agent to enter into contracts on behalf of the Merchant with others for transport, storage, handling or any other services in respect of the Goods prior to loading and subsequent to discharge of the Goods from the vessel without responsibility for any act or omission whatsoever on the part of the Carrier or others and the Carrier may as such agent enter into contracts with others on any terms whatsoever including terms less favourable than the terms in this Bill of Lading.

(3) COMBINED TRANSPORT

Subject to and save as otherwise provided in this Bill of Lading, the Carrier may be found liable in case of combined transport for loss of or damage to the Goods occurring from the time that the Goods are taken into his charge until the time of delivery to the extent set out below:

(A) Where the stage of Carriage where the loss or damage occurred cannot be proved:
(i) The Carrier shall be entitled to rely upon all exclusions of liability under the Rules or legislation that would have applied under 6(1)(A) above had the loss or damage occurred at sea or, if there was no carriage by sea, under the Hague Rules (or COGSA or COGWA if this Bill of Lading is subject to US or Canadian law respectively).
(ii) Where under (i) above, the Carrier is not liable in respect of some of the factors causing the loss or damage, he shall only be liable to the extent that those factors for which he is liable have contributed to the loss or damage.
(iii) Subject to 6(4)(C) below, where the Hague Rules or any legislation applying such Rules or the Hague-Visby Rules (such as COGSA or COGWA) is not compulsorily applicable, the Carrier's liability shall not exceed USD42.00 per kilo of the gross weight of the Goods lost damaged or in respect of which the claim arises or the value of such Goods, whichever is the lesser.
(iv) The value of the Goods shall be determined according to the commodity exchange price at the place and time of delivery to the Merchant or at the place and time when they should have been delivered or if there is no such price according to the current market price by reference to the normal value of Goods of the same kind and quality, at such place and time.
(B) Where the stage of Carriage where the loss or damage occurred can be proved:
(i) The liability of the Carrier shall be determined by the provisions contained in any international convention or national law of the country which provisions:
(a) cannot be departed from by private contract to the detriment of the Merchant, and (b) would have applied if the Merchant had made a separate and direct contract with the Carrier in respect of the particular stage of Carriage where the loss or damage occurred and had received as evidence thereof any particular document which must be issued in order to make such international convention or national law applicable; (ii) with respect to the transportation in the United States of America or in Canada to the Port of Loading or from the Port of Discharge the responsibility of the Carrier shall be to procure transportation by carries (one or more) and such transportation shall be subject to the said carriers' contracts of carriage and tariffs and any law compulsorily applicable. (4) GENERAL PROVISIONS

(A) DELAY, CONSEQUENTIAL LOSS

Save as otherwise provided herein, the Carrier shall in no circumstances be liable for any direct, indirect or consequential loss or damage caused by delay howsoever caused.

(C) AD VALOREM: DECLARED VALUE OF PACKAGE OR SHIPPING UNIT

The Carrier's liability may be increased to a higher value by a declaration in writing as to the value of the Goods by the shipper upon delivery to the Carrier on the Goods for shipment provided that such higher value has been inserted on the front of this Bill of Lading in the space provided and that extra freight has been agreed and paid for such a higher value. In such case, if the actual value of the Goods shall exceed such declared value, the value shall nevertheless be deemed to be the declared value and the Carrier's liability, if any, shall not exceed the declared value and any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

(D) DEFINITION OF PACKAGE OR SHIPPING UNIT

Where a Container is used to consolidate Goods and such Container is stuffed by the Carrier, the number of packages or shipping units stated on the face of this Bill of Lading in the box provided shall be deemed the number of packages or shipping units for the purpose of any limit of liability per package or shipping unit provided in any international convention or national law relating to the carriage of Goods by sea. Except as aforesaid, the Container shall be considered the package or shipping unit.

The words "shipping unit" shall mean each physical unit or piece of cargo not shipped in a package, including articles and things of any description whatsoever, except Goods shipped in bulk, and irrespective of the weight or measurement unit employed in calculating freight charges. As to Goods shipped in bulk the limitation applicable thereto shall be the limitation provided in such convention or law which may be applicable, and in no event shall anything herein be construed to be a waiver of limitation as to Goods shipped in bulk.
(E) RUST, ETC.

It is agreed that superficial rust, oxidation or any like condition due to moisture, is not a condition of damage but is inherent to the nature of the Goods and acknowledgement of receipt of the Goods in apparent good order and condition is not a representation that such conditions of rust, oxidation or the like did not exist on receipt.

(F) NOTICE OF LOSS OR DAMAGE

The Carrier shall be deemed, prima facie to have delivered the Goods as described in this Bill of Lading unless notice of loss of, or damage to, the Goods, indicating the general nature of such loss or damage, shall have been given in writing to the Carrier or to his representative at the place of delivery before or at the time of removal of the Goods into the custody of the person entitled to delivery thereof under this Bill of Lading or, if the loss or damage is not apparent, within three consecutive days thereafter.

(G) TIME-BAR

The Carrier shall be discharged of all liability whatsoever unless suit is brought in the proper forum and written notice thereof received by the Carrier within nine months after delivery of the Goods or the date when the Goods should have been delivered. In the event that such time period shall be found contrary to any convention or law compulsorily applicable, the period prescribed by such convention or law shall then apply but in that circumstance only.

(5) The Merchant shall be liable for the loss, damage, contamination, soiling, detention or demurrage before, during and after the Carriage of property (including, but not limited to, Containers) of the Carrier or of any person or vessel (other than the Merchant) caused by the Goods, the Merchant or any person acting on his behalf or for which the Merchant is otherwise responsible.

(i) caused by the manner in which the Container has been stuffed;
(ii) caused by the unsuitability of the Goods for carriage in Containers;
(iii) caused by the unsuitability or defective condition of the Container provided that where the Container has been supplied by or on behalf of the Carrier, this paragraph (iii) shall only apply if the unsuitability or defective condition arose (a) without any want of due diligence on the part of the Carrier or (b) would have been apparent upon reasonable inspection by the Merchant at or prior to the time when the Container was stuffed; or
(iv) if the Container is not sealed at the commencement of the Carriage except where the Carrier has agreed to seal the Container. (B) The Merchant shall defend, indemnify and hold harmless the Carrier against any loss, damage, claim, liability or expense whatsoever arising from one or more of the matters covered by (A) above.

(1) The Merchant undertakes not to tender for transportation any Goods which require temperature control without previously giving written notice and filling in the box on the front of this Bill of Lading of the particular temperature range to be maintained. In the case of a temperature controlled Container stuffed by or on behalf of the Merchant, the Merchant further undertakes that the Container has been properly pre-cooled, that the Goods have been properly stuffed in the Container and that its thermostatic controls have been properly set by the Merchant before receipt of the Goods by the Carrier.

If the above requirements are not complied with, the Carrier shall not be liable for any loss of or damage to the Goods caused by such non-compliance.
